In case the entire expenditure is having to be met by the Govt of India it may be necessary to Communicate the present decision to them for their information."

4) The Finl Secy is also proceeding to Hyderabad with the Finance Minister for a meeting with Sir V. P. Menon. The ~~question~~ view taken by the Census Comm^r that entire Census expenditure of the State including the pay & the allowances of the Officers + Staff will be borne by Central Govt. from the Commencement of the Current official year as per Communication of the Govt of India received in their No 49/3750 / Public (3) Ms/3750. 11) I discussed this with Sri Swaminathan on 12-9-50. He was of the view that any extra cost on acct of Census work should be borne by the Centre. It is not known whether details of expenditure to be incurred on acct of the Census operations have been intimated to Govt of India and their concurrence obtained for the estimated cost. If this has not been done, this may be taken up and details of expenditure and estimate of expenditure to be ~~kept~~ incurred may be sent and the approval of the Concerned Ministry obtained. Regarding grant of allowances to the Assistants, previous concurrence of Govt of India is necessary even according to instructions of Ministry of Finance. After obtaining their concurrence, the Govt order may issue in the limits fixed.

Budget provision for Census work.

Resolved (13) Kind reference is invited to note on the subject placed below. It may be seen from it that details of expenditure to be incurred at an estimated Cost of Rs 2.65 lakhs for Census operations during 1950-51 has been furnished to Govt of India in our letter No. 11/1638 D) 21.4.50. & the Govt of India Ministry of Home Affairs in their letter No. 49/51/50 Public intimated this Govt to incur expenditure in anticipation of funds & that supplementary grants to cover the same will be obtained as soon as possible at the next session of the parliament. They also requested the Ministry of Finance to instruct the Accounts Officer accordingly. This is with reference to first portion of the para 11 above.

(4) As regards the payment of allowances to the staff it might be stated that as noted at para (7) of the circular letter dealing with No 2326/M. placed below a provision of Rs 100/- & Rs 75/- per mensem to the first & 2nd staff respectively is made in the Budget Estimates furnished to the Govt of India. But it is observed at para 186 therein that "the Govt of India

letter is not clear. In case the entire expenditure is being met by the Govt of India it may be necessary to communicate their present sanction to them for their information

~~has agreed to the discussed~~

15) It is not clear from the ~~above~~ paragraph 11 above, the results of discussion held on this point.

16) The other subject to be discussed is that it was suggested in this note placed before that pending the allotment of funds, as an estimate, the Govt of India may perhaps be requested to place at the disposal of this Govt an advance of Rs 1 lakh to cover the current expenditure that may be incurred till supplementary grant for this purpose is obtained.

17) Since no communication has so far been received from the Govt of India, in the matter of allotment of funds it is respectfully submitted that this may perhaps be taken up for discussion at this meeting with the authorities at the Centre

18) A draft letter to the India is also put up
